INSIDE A BARELY LEGAL GIRL

Hey! It's me, Lindsey. You guys, I thought I had a lot of experience, sex-wise—until I met our October girls!

Take Meiko. A month after turning 18, she did her very first hardcore scene—with four guys at once. Horny Hope Howell has made 50 movies and she once boned a guy while jumping out of an airplane.

I've done anal, of course—but these girls are *maniacs*. Pervy Ruby would rather do it in the pooper than the cooter, and daredevil Gina craves not one but *two* cocks up her butt.

Teen Queen Aurielee is much more low-key. All she wants is for a guy to hit her G-spot—and her clit and her A-spot and her U-spot. I didn't even know about those last two, and I'm the editor of a pornographic magazine!

I mean, it's embarrassing. I've got a lot of catching up to do. You'll cheer me on, won't you?

RAFERKO ASKARA

head of the class

ey, it's Lindsey. Porn starlet Meiko is only 18, but she's my total role model!

Hey, Meikol When did you do your first shoot?

The day I turned 18—a solo scene with my favorite toy. Then a month later I did a four-guy gangbang with double penetration and anal.

Wow! Have you always been an overachiever?

Ha-hal I did quite well in high school.

I thought you were still in high school.

No, I'm in college—I just like this outfit. I actually wore it to class the other day. Hopefully it wasn't too distracting.;)

What are you studying?

Computer programming and dentistry. I figure those careers are recession-proof. Everybody needs clean teeth even if we're all broke. Ha-ha!

What's your favorite thing about doing porn?

It gives me the chance to explore my sexuality in a controlled, safe environment and push my own boundaries. It's very empowering and liberating.

Is there anything you don't like about it?

No. There is a misconception that porn shoots are dirty, dark, unsafe environments, but they are actually quite regulated, and the women call the shots.

What is your personal sex life like?

Sex in both my personal life and on camera is always very intense. I really connect with my partner and tend to get a little crazy and have very few limitations.

Do you enjoy anal in your personal life?

Yes, I love it. It's a very different type of orgasm than a vaginal orgasm. I'm very in tune with my body, and I'm able to relax and really get into some rough, deep anal sex.

What turns you on the most?

I like a partner, male or female, that takes charge. I like being dominated while still being in control mentally of the situation.

What's your favorite position?

Being bent over, having my hips grabbed and my hair pulled, and pounded.

Are you a spitter or a swallower?

Swallower. There is something about having a man jizz in my mouth and swallowing it so he can see that's very primal and a huge turn-on for me.

Do you have a favorite fantasy?

If I had to pick one, it would be doing another gangbang with a bunch of military personnel who just came back from overseas. I figure they missed out on a lot of sex, so I'm sure they would be hot and horny. I think that's a great way to show my patriotism—what do you think?;)

I salute you! What are your main goals in life?

I plan on finishing up my schooling, and I hope to someday make a positive impact in society and dispel some of the misnomers surrounding the sex industry and empower other young women.

Meiko, you're so awesome!

Aww. Thanks for this wonderful opportunity. And thanks to Victor Lightworship and to all my loyal fans! *

JULY 2014 PANTY CONTEST WINNER!

You know what they say, H.M.—the best things in life are free! Sami's priceless panties are coming your way!

Dear Lindsey/BARELY LEGAL,

Being an unattached senior citizen, I really love your magazine. All your girls are hot and you even hotter. Having no mate to cuddle and snuggle with, I find myself jerking off while looking at your magazine or watching one of your DVDs.

Just received your July 2014 issue, and as always the girls are extremely hot. But Sami St. Clair is a goddess. Her bubbly butt, tight tits, and hairless pussy are to die for—and to round things out, she is giving away her panties to some lucky guy.

You know what they say about senior citizens: We are too old to cut the mustard. That may be, but I can still lick the jar. LOL. And with Sami, I could lick her jar for days.

I received a pair of panties from a lady at a men's club in Dallas one night, but before I had them around my neck I

shelled out \$1,200. I have them framed under glass in my bedroom. I would love for Sami's panties to share the same frame. Then I could always say I bought one pair for \$1,200 and received the other pair free.

Thanks for you and all your girls. Keep up the good work.

Yours always, H.M. Texas

Dear BARELY LEGAL,

I just recently renewed my subscription. I want to thank you for the great girls and services you offer. This is my third year as a subscriber. I have been thoroughly satisfied. I will continue to subscribe forever.

R.M. Nebraska

Every time a subscription is renewed, I get a tingle in my cooch! Thank you, R.M.!

Dear Staci Silverstone,

When I came across your pictorial in the July 2014 issue and read through your Q&A with Stacy the intern, I just had to

write ya and give some words of encouragement. 'Cause I believe you are so beautiful and lovely to look upon. To your negative fans and comments to you over the tweet universe-FU all! Pay them no mind, Staci, okay? They're just fools and haters! Hell, I was raised in a time, if you didn't have anything good or nice to say then say nothing at all! What in the hell happened to those days?

One more thing: When

I noticed you were in BARELY LEGAL #132, I just had to go to my archive and find it. I popped it in the DVD player and found your scene, sat back and watched it again, and, to my surprise, I absolutely loved it. Especially the portrayal of you as a cleaning lady. I truly love your fuck abilities and the way you can swallow a dick and especially how your pussy looks while it's being plowed and pumped by a cock. You truly have the qualities of a champ! Great job, kid!

Never change, and you keep on doing whatever you feel like doing, okay? Take care.

K.S. Texas

Staci Silverstone has nothing to be ashamed of. I love her

cheekbones, and her nose and lips are adorable. Those eyebrows are beautiful and match that head of hair. Her teeth are beautiful just like they are. Don't touch them. Those B tatas are the best I've seen, and her work on camera and film is always full of fun. Gosh, did I love her in BARELY LEGAL #132.

We use the term "she's a keeper" in Oklahoma when talking about the women we love. Staci's "a keeper," and I wish her only the best in her future.

Sincerely, Love-struck in Oklahoma

K.S. and "Love-struck," THANK YOU SO MUCH!!! You make me feel like the prettiest girl in the world, with the prettiest teeth. And I am so thrilled and honored that you like my scene in BARELY LEGAL #132! If any other guys want to order the DVD, they can call 323-651-5400, ext. 7675, or visit HustlerStore.com. (Lindsey made me add that! I'm not trying to brag!) —Staci

Dear BARELY LEGAL,

To Nicol (July 2014): You worried about not showing enough of your vagina or not being pretty enough! Well, you are pretty, and you did show your butthole two or two-and-a-half times, and your pictorial was very good! I think once you see yourself in BARELY LEGAL, you will find that you did do a very good job! I think that will build your confidence, and that you will consider coming back

to BARELY LEGAL. I am sure you will have fun the second time around!

Lindsey, thank you and the interns Stacy and Abby and everyone at BARELY LEGAL for all the good, hard work you do!! You guys are number-one in my book.

R.S.C. Arizona

Merci, R.S.C.! Sadly (for us), Nicol is too busy with med school to do any more modeling. But I know she's proud of her pictorial—she bought a hundred copies to give out to her classmates!

—Lindsey

Dear BARELY LEGAL,

In the month of July most people's thoughts are filled with red,

white, and blue. Upon opening the July 2014 issue, my mind was a cerebral sexual stew fixated on pink, brunette, and blonde. I was elated to see one of my fave dream girls, Megan Salinas, return! I thought that nothing could be as good as the aforementioned layout, and then I turned the page to Averi Brooks. Averi is so beautiful, and I would love to taste every inch of her. I loved the Daisy Dukes on Sami St. Clair, Alexis Crystal, and the doe-eyed sex kitten Staci Silverstone.

I salute the BL staff and all BL models past and present for producing and being an important part of the best damn girlie magazine in history!

In closing, I would like to respond to Lindsey (Inside a BARELY LEGAL Girl). I can't stop, either, nor do I want to.:)

M.A. Kentucky

M.A., I still haven't stopped! My fingers are worn to the bone!;)

Omigod, you're the cutest metalhead I've ever seen. Who are your favorite bands? Slayer. GWAR. Lately I'm obsessed with this

awesome band from Sweden called Ghost. Do you like metalhead guys?

I like guys who worship Lucy Fur. What?!

That's what I named my bush. LOL! But really what I like is old men.

How old?

owdy! It's Stacy the intern. I've been waiting over two years for Kloe to come back to me!

Kloe, where have you been? My January 2012 BARELY LEGAL is worn to shreds!

LOL! I've been busy.

What could be more important than me?

Working as a makeup artist. I love helping girls become even more beautiful than they already are.

Speaking of more beautiful—you look amazing!

Do I? Not too old?:)

Are you honestly worried about getting old?

No, I'm just foolin'. I'm enjoying this age.

What do you enjoy most about it?

Being able to use my real I.D. when I go clubbing. I never felt good about faking.

Does that go for sex, too?

Girl, I have never faked an O in my life! And I don't understand girls that do.

Maybe they just don't know how to come for real.

Then it's high time they learned. Go buy a toy and work on yourself, ladies.

I notice that your new toy is way smaller than your last one.

was overdoing it before. I want to keep my cooch tight for a looong time.

Two years ago, you said your hair was shiny and healthy thanks to jizz treatments.

Did I say that? How naughty!

Anyway, it's looking very shiny and healthy to me.

LOL! I do have lots of sex. I absolutely love it. It's the only thing in the world that's fun and good for you.

agree that it's fun, but...

Sex helps you sleep better at night, makes your skin glow, keeps you fit. Don't you have lots of sex?

See these bags under my eyes?

You poor thing! Wish I could help you out, but I'm strickly dickly. Maybe if I borrow your toy...

Be my guest! Just remember to lick it clean first. :) *

Hey, it's Lindsey! I'm sure you guys know all about Hope Howell. She's made like 50 pornos (including one of ours!), she's done a ton of anal scenes, and three years ago this month she had sex while jumping out of an airplane. She's seriously one of the craziest girls we've ever had in BL—so, naturally, I asked her to tell us about the absolute craziest sex she ever had.

Hey, friends! I'm Hope. It is so amazing to be here.

Okay, so, the craziest sex I ever had. I know what you're thinking: Fucking while sky-diving is pretty crazy. It is—and it was definitely the proudest moment of my life—but it wasn't the craziest.

In case you don't know, I'm a total perv. I fuck a lot of bossy, beefy porn guys, and I love being bent over and just, like, pounded, especially in the ass. On camera, off camera, I like it hard and fast.

So anyway, one day I was at the library... Don't laugh! I might be a college dropout, but I do actually read books. I especially love shit about ancient Egypt. Mummies, for real!

So there I was in the Ancient Egypt section, and I saw this guy. Oh. My. God. If you look up "nerd" in the dictionary, there's a picture of him. He weighed about 90 pounds soaking wet, he was wearing big, thick, black glasses, and he had—I swear to God—three pens sticking out of the pocket of his short-sleeved shirt.

My heart went out to him. All I could think was, This poor guy has never had sex. And he might not ever!

It was up to me to help him. Yes, I prefer big dudes who boss and toss me around, but for this time only—an obvious emergency—I could take charge.

I went over to his table. He was reading this giant book with tiny little type, his mouth hanging open, his lips all wet and gooey—from what, I didn't know. But it didn't scare me.

"Hi!"

He looked up at me, then twisted around to see who was behind him.

"I'm talking to you. Whatcha readin'?"

He blinked his eyes about a thousand times. "The O-o-oxford History of Ancient Egypt."

"Ooh," I said, sliding into the seat next to him. "I haven't read that one yet. Is it good?"

He gulped and nodded. "D-did you know that Scotland Yard has a print taken from the hand of a mummy?"

"No! How fascinating!" I moved in closer, like I was trying to read the page.

"It's not on this page," he said. "I'll find it for you."

He started frantically flipping through the book,
all spazzing out. His sweaty fingers stuck to the
pages. Poor thing! I had to put him out of his misery.

"Speaking of finding," I said, "I can not find this book I want to read about Isis. Can you help me look for it?"

"|-|-|..."

"I think it might be over there," I said, pointing to the darkest corner of the stacks. "What's your name, anyway?"

"E-e-ethan."

"Come on, E-e-ethan."

I grabbed Ethan's arm and practically carried him to the spot where I planned to make him a man.

"My name is Hope, and I really want to kiss you."

Ethan's chin dropped practically to his chest. I would make this quick and easy. I slipped my tongue between his gooey lips.

You guys, here is where it gets crazy.

Ethan grabbed my ass, digging his fingers in, and jammed his tongue down my throat. His knee squeezed between my thighs, forcing them open. I was in shock! It was like Dr. Jekyll and Mr. Hyde!

Ethan let go of my ass and shoved me up against bookshelf we-zy. He grabbed my tits. My nips went rock-hard between his frail little fingers. "Ohhh," I gasped.

Ethan put a finger to his lips. "Shhh." He pushed me to my knees. "Suck my cock," he whispered.

Shivers tingled down my spine and vibrated through my clit. I unzipped his polyester pants. BOING! His cock popped out. It did not match the rest of his body—it was eight inches at least, and fatter than my fist. My mouth watered.

I gulped the whole thing down and sucked hard—my usual method. I *love* making guys come super fast.

It was like Ethan read my mind.

"Don't make me come too fast," he demanded, grabbing me by my hair and pulling my mouth off his dick. "Lick it slow."

I did as I was told, sliding my tongue up and down the mind-boggling length of his cock and gently caressing his balls.

"That's right," Ethan sighed. "Slooow."

I kept on licking all long and lazy, and the longer I licked, the more turned on I got. My pussy was gushing nonstop. I needed it now.

"Fuck me!" I panted.

Ethan got down on the floor with me and lifted my skirt. But instead of sticking his cock in my pussy, he clamped on with his mouth.

"Whoa!" I gasped.

He flicked his tongue in and out of my hole and wiggled it against my clit. His thumb thumped against my butthole. Omigod. He was teasing the fuck out of me.

"Give me your cock," I begged, my hips writhing.

"No," he said. He went on slurping.

He spread my pussy lips wide open and pressed the head of his cock against my hole, circling it. He still wasn't going in. Enough was enough.

"You fucking nerd!" I yelled. "Fuck me."

He plunged inside of me. His cock felt *huge* in my cooch like it was two cocks in one. He pounded my pussy, over and over. I yelped.

"Too hard?" he asked, still slamming away.

"N-n-no." I stammered.

He fucked me so hard, my teeth rattled. My nails dug into the cheap carpet, my knees burned. I fucking loved it!

I felt his cock swell up and tighten inside me. He twisted his hands in my hair and pulled.

What was this guy trying to do? He was making me insane! thrust my crotch in his face.

"Fuck me," I wailed.

"Patience," he said. "Suck my cock again."

He jammed his dick into my mouth, cupped my head, and pumped.

"You wanna fuck, yeah?" he huffed.

"Yes!" I squeaked.

"Yes, what?"

"Yes, please!"

Ethan flipped me over and lifted my belly up so I was on my hands and knees. He slid his thumb between my pussy lips, leaned in, and pressed his mouth against my ear.

"Are you ready?" he whispered.

"God, yes," I moaned.

"Fuck yeahhh!"

A flood of hot cum filled my pussy. The best feeling ever!

I flopped onto my back and stared up at Ethan. His hair was all wild and his glasses had slid down to the tip of his nose.

"That was fucking awesome," I said.

His face turned bright red. He pushed his glasses back up his nose with his spindly index finger.

"----..."

"We're doing that again!" I announced. "In the butt next time." "In the b-b-butt?"

Ethan was back to his stuttering self—the real Ethan. Or was the raging fuck beast the real Ethan?

Either way, that was the craziest sex I ever had—until next week, when Ethan and I visit the Natural History Museum. Egyptian wing, here we come! *

PHOTOGRAPHY BY STEVEN ANDRES

Do you do anal sex?

Hey, who's doing the interviewing here?

Sorry. (Pauses.) Well, do you?

Yes, I like it. Back to you now. What is your favorite hobby? Having sex.

Your hobby is the same as your job.

Yes.

You never need a break from having sex?

Of course not. What a question!

I was told that porn stars always sleep naked. Is it true?

Not for me. There might be a fire and I have to run out of the house.

What do you wear?

This-what I'm wearing now.

But that barely covers you.

Still-not naked.

What turns you on the most?

Cock.

What is your favorite type of foreplay?

Telling the man, "Take off your pants!"

Isn't that kind of bossy?

(Shrugs.) It works.

What's your favorite position?

When I am on top.

Do you like to suck cock?

I love it, but not if we end there. I want them to suck my pussy, too.

Do you swallow?

Another silly question! Of course!

Where do you like guys to come?

Inside me. If they try to pull out, I pull them back in.

Do you like girls?

Yes, they're good at sucking my pussy.

Better than men?

They're...different.

Very diplomatic. What makes you come the hardest? Anal sex.

Ah! That must make work fun.

Yes. It doesn't feel like work to me. I do on camera what I do at home.

You've done double anal in your personal life?!

Well-not yet. But I would, if I found the men to do it.

Gina, you are amazing. And a little bit scary.

Why scary? I don't bite-unless you want me to. *

ello again! It's Abby the intern. Meet retired (boo!) porn starlet Lacey.

Lacey, you're not making movies anymore?:(
Nope. It was fun, but I feel like I've tried everything crazy that I wanted to.

What were the craziest things you tried?

Anal and lesbian stuff.

Did you like them?

I like that I tried them, but no, they're not for me.

Wow, so doing porn can actually help you figure out what you like sexually?

Sure! But I also know my body pretty well.

Do you masturbate a lot?

I don't masturbate at all. LOL! I let the guy take care of that.

How can a guy turn you on?

Biting my lower lip. Kissing my neck. Jacking off.

You mean in front of you?

Yeah! I love to watch a guy handling his cock.

How do you like to be fucked?

Soft and sweet—unless I'm horny, then sweet into rough.

Waco, Texas, wild girl Ashley packs a lot of punch in her tiny 5-1 frame: "Straight, bi, bi-curious, aggressive, passive, seductive-I'm all of the above." The 19-year-old nymphette has had sex in a park, in a Beetle, on a trampoline, in a pool, and in a hot tub. Still to come: doing it on a tropical island and on a famous baseball field. Ashley's favorite position is doggy-style, and she will occasionally indulge in a little anal, but "only when I've had lots and lots of tequila." This ultrahot ultrasound tech student also has a sweet side: "I hope to make a difference in someone's life by working in a hospital. I like to help others." Until that day, Ashley will continue to make a living as a dancer: "I love that I can be someone's fantasy." Hey, that's just another, sexier way of helping others! -photos by friend

t's me again, Stacy the intern, with another blast from my pervy past—Ruby (August 2012)!

Ruby, you're a college junior already?

I know, right? It's crazy! I'm halfway done!

Are you still studying creative writing?

No, I gave that up. I was spending way too much time in my head, fantasizing.

What's wrong with that?

If you think too much, you don't do.

So, what are you doing?

Well, remember how I wrote that story about breaking my buttsex cherry with my professor? The story came true!

How was it?

How can I describe the most amazing sex in the world? It's like, my butthole was the doorway to orgasms and his penis was the key.

Wow! Didn't you ever have an orgasm before that?

Yes, but they're so much bigger in my ass. It's hard to go back to the front.

Are you neglecting your poor little pussy?

LOLI No! But for me, regular pussy sex is now like foreplay, and then comes the real action.

Do you have oral sex anymore?

I love when someone licks my butthole. I like a finger in there, too.

What happens if a guy just isn't into doing you in the ass?

First I get sad, then I go out and find someone else who will do me in the ass.

You mean business!

I do! Once you figure out what you want in life, you should go for it. Be a doer.

There's more to life than assgasms.

Of course! But not much more. *

PHOTOGRAPHY BY MATTI KLATT

hen I was 14, I had a crush on my neighbor Scott. He was 21, and I used to dream of being his special lady when I grew up. Then he was sent to prison for drug-trafficking.

"Scott came home after four years. I brought some freshbaked cookies to his door. I nearly fainted when I saw him. Scott's front teeth had been busted out. He shuffled like an old man. It made me so mad someone could be broken like that for selling a few pounds of marijuana.

"Scott didn't want to let me in, but I insisted. He slumped on the couch and drank beer. I wondered what could have happened to a man in prison that would make him unable to look a girl in the eye.

"You know what happens to guys in prison,' Scott lisped through his broken front teeth. 'I'm a piece of shit now. Get out.'

"I started to leave, but I broke down in tears. Scott put his arms around me, but he was awkwardly trembling. I squeezed snug against him. We sat down on the couch. I put his fingers in my silky, blond hair and let him stroke it. I kissed him on the mouth. I put my lips on his neck and made him shiver with my warm breath. I opened my blouse and tickled his face with my buds. I stuck my nipple in his mouth, and he sucked on me like a baby. I guided his palm into my fuzz wrinkle and let him feel me.

"Scott's lost manhood sprang to life. I kissed it, then straddled on top. I swallowed him in my squishy girl hole. I rode slow, nursing him with each stroke, until he blew years of pent-up load inside me.

"I've been at home, looking at my pussy in a whole new way. I think I just saved a man's life with it. I wish I could do the same for every poor, righteous dude that's been fucked over by prison." *
